

ONE GAME BASKET BALL

C. C. Won That From The Stars In F. C. A. League.

C. C. won the only game played in the F. C. A. league last week, when they trimmed the Stars Wednesday night by a score of 36 to 35. One point was not a big margin but it proved big enough to lead the game and send the C. C. into the top position. The sensational shooting by D. L. and Thibault was the feature of the game.

The Independents took a night off but promised a come-back this week with a much strengthened team. They are sick of groveling in the basement and have sent out warnings to the other members of the league that the worm is about to turn. They will bear watching from now on.

The picked team that went to Whitefield last Tuesday night met defeat by the score of 45 to 17. A return game with this speedy outfit is promised in the near future, when F. C. A. will put forth a great effort to retrieve the loss.

The A. C. team go to Melndoes tomorrow night for a game with the town team there.

VERMONT NEWS

Two Waterbury Boy Scouts had a rather narrow escape Wednesday night when the Congregational church camp in Moretown caught fire as they slept. They were awakened by smoke and without waiting to dress fully began to fight the flames. They were unsuccessful and later had to walk home, ploughing through drifts in their stocking feet. The financial loss is not great but the building was much used in the social work of the church. The fire probably caught from overheating the fireplace as the boys had carefully extinguished the fire in the Boy Scout way.

The charitable women of Rutland fed and clothed 180 needy people from the rural sections on Wednesday. Free transportation was given the guests who came from Rutland, Clarendon, Pittsford, West Rutland, Mendon, Chittenden, Castleton and Fair Haven. On their arrival whole families were fitted with underclothing, wraps, mittens, shoes and stockings. A fine dinner was served followed by a tree with gifts for all, and each family had a box of food to take home.

John Traverso, a Timmuth farmer, aged 57, was found dead in bed Wednesday morning with a bullet hole in his head. He had had trouble with his wife.

Saves Boy From Grave

Mrs. Jennie Bowen of Meredith, N. H., writes this kind of a letter: "You have helped my little boy. He would have been in his grave before long."

Some symptoms of worms are: Deranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on tongue, starting during sleep, slow fever.

If you have the least suspicion that your child is troubled with stomach worms or pinworms, put him on the road to good health by using Dr. Tru's Elixir, the Family Laxative and Worm Expeller. This remedy has been on the market for over 60 years. Good for adults also. At all dealers, 85c, 50c and \$1.00. Advice free.
